

Patent

Attorney Docket No: AMS-161

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of.

Thierfelder et al.

Group Art Unit: 3762

Serial No.:

10/636,182

August 7, 2003

Examiner: Unknown

Filed: For:

Drug Delivery Devices and Methods

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Commissioner for Patents, Alexandria, VA 22313-

1450 on:

January 29, 2004

Date

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. 1.97 and 1.98, enclosed for consideration by the Examiner during examination of the above identified application are copies of the following documents listed on the attached form PTO-1449.

Applicants assert that nothing herein is intended to be construed as an admission as to whether a document constitutes prior art against the present application. Applicants reserve the right, pursuant to 37 C.F.R. 1.131, 1.132 or otherwise, to establish that the document(s) are not "prior art". Applicants have provided these documents to comply with their duty under 37 C.F.R. 1.56.

No substantive office action has issued for this case. As a result, it is believed that no fee is due for the submission of this information disclosure statement. Please charge any additional fees required for the timely submission of this supplemental information disclosure statement to Deposit Account No. 501921.

In view of the foregoing, consideration and allowance of this application are respectfully requested.

Respectfully submitted,

Jeffrey J. Hohenshell

Registration Number 34,109

Date: January 29, 2004
